

Your Journey to Enrolment

This session should help to:

Increase your confidence in your next steps

Provide support with time management and prioritisation

Identify potential barriers or complex areas of the process

True or False?

You can only apply for student finance when you have got your results and confirmed your place.

Accommodation is only guaranteed if you have chosen Reading as your firm choice already.

There are no lectures or seminars in the first week of the autumn semester.

Can you identify the order of events?

In small groups, discuss the items on the calendar.

Which do you think are:

- a) February - April
- b) May – July
- c) August – September

If you are unsure just ask an ambassador or leave them for now and we can discuss!
